

A performance like this comes along only once in a lifetime - the pairing of two multiple **GRAMMY**® award winning groups whose distinct American roots music has thrilled and fascinated audiences around the globe! Two dynamic performances fronted by two legendary artists - who have also been friends for nearly 30 years! The respect and admiration they have for one another is palpable in their poignant onstage collaboration, curated especially for their Boogie From The Bayou tour.

For the past 40 years, **BeauSoleil avec Michael Doucet** has been making some of the most potent and popular Cajun music on the planet. Born out of the rich Acadian ancestry of its members, and created and driven by bandleader Michael Doucet's spellbinding fiddle playing and soulful vocals, BeauSoleil is notorious for bringing even the most staid audience to its feet.

Similarly, for over 35 years, with astonishing vocals and charismatic performances, **Terrance Simien and the Zydeco Experience** band have taken their music to places few have - to Europe with Fats Domino and Sarah Vaughan or crisscrossing the U.S. with Los Lobos and Dave Matthews Band. Their sound is one of the most diverse in roots music today.

Join us for a memorable evening of outstanding performances and music from the Louisiana bayou delivered right to your venue! We also invite you to explore a pre performance Q&A, residency outreach activities and even culinary demonstrations. These gifted artists are really great men and they have a lot to share. Boogie From The Bayou promises to be an engaging and immersive Cajun and Creole experience that will leave a lasting impression on your audience.
